AMERICAN OVERSIGHT

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

From: Letourneau, Kristina
Sent: Friday, October 26, 2012 9:38 AM
To: OPE All Users
Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Subject Regulatory Reform Task Force
Location Secretary's Conference Room
Show Time As Busy

AMERICAN OVERSIGHT

Colleagues:

Welcome to the refreshed Regulatory Reform Task Force! Elizabeth, Hilary, and I would like to inform you about a few new developments and to provide several reminders.

Membership. I have attached an updated membership list to take into account recent arrivals and departures. I ask that you not forward this invitation to others without prior approval from Elizabeth and me. Given the lower frequency of the Task Force meetings (see below), we would appreciate you making every effort to attend in person. We realize that there are unavoidable conflicts (negotiated rulemaking, Hill meetings, etc.), but the expectation is that each member will attend monthly meetings of the RRTF. Obviously, you will continue to work with your staffs internally within your POC.

Meetings. The Task Force will meet monthly (fourth Thursdays) (or as needed). Accordingly, I have cancelled the weekly recurring invitation and replaced it with this one. In this manner, we will cut down on the number of cancelled meetings and focus everyone's energies on a single monthly meeting.

Next Steps. With regard to ongoing activity, our next steps are for the agency to complete its response to the House Government & Oversight Committee request for information concerning guidance (ideally, by late January) and for each POC to complete its review of regulatory review comments from the public. At the January 25 meeting, each POC should be prepared to provide the following:

* A brief overview of its response to the oversight letter
* A brief overview of the number, type, and content of the comments received from the public relating to the POC
o Please pay particular attention to those comments with thoughtful, helpful ideas and policy proposals
o Please think how your POC might use these comments as a basis for regulatory relief in certain areas

Hilary and Alisa are also working on ways to refresh and renew the Department's Regulatory Reform website and will provide a brief update on that project.

Unified Agenda. I have attached the most recent Unified Agenda . As you know, the Unified Agenda publishes twice a year—generally the Spring Agenda publishes in April and the Fall Agenda in October. As we have discussed previously, if you wish to publish a rule (including a proposed rule or rescission), you must include an entry for it in the most recent agenda. So, if you plan to publish a rule between April and October, you would need to include an entry for it in the Spring Agenda. We will be requesting information from you for the Spring Agenda at the end of February/beginning of March. Please work with your staff to be prepared to respond to these requests. This is a critical matter —the Department's proposed Strategic Plan and related performance metrics with OMB take these items into account.

Please let us know if you have any questions. Many thanks for your work on this important project.

Bob

AMERICAN OVERSIGHT

To: OPE All Users
Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Subject Regulatory Reform Task Force
Location Secretary's Conference Room
Show Time As Busy

Colleagues:

Welcome to the refreshed Regulatory Reform Task Force! Elizabeth, Hilary, and I would like to inform you about a few new developments and to provide several reminders.

Membership. I have attached an updated membership list to take into account recent arrivals and departures. I ask that you not forward this invitation to others without prior approval from Elizabeth and me. Given the lower frequency of the Task Force meetings (see below), we would appreciate you making every effort to attend in person. We realize that there are unavoidable conflicts (negotiated rulemaking, Hill meetings, etc.), but the expectation is that each member will attend monthly meetings of the RRTF. Obviously, you will continue to work with your staffs internally within your POC.

Meetings. The Task Force will meet monthly (fourth Thursdays) (or as needed). Accordingly, I have cancelled the weekly recurring invitation and replaced it with this one. In this manner, we will cut down on the number of cancelled meetings and focus everyone's energies on a single monthly meeting.

Next Steps. With regard to ongoing activity, our next steps are for the agency to complete its response to the House Government & Oversight Committee request for information concerning guidance (ideally, by late January) and for each POC to complete its review of regulatory review comments from the public. At the January 25 meeting, each POC should be prepared to provide the following:

* A brief overview of its response to the oversight letter
* A brief overview of the number, type, and content of the comments received from the public relating to the POC
o Please pay particular attention to those comments with thoughtful, helpful ideas and policy proposals
o Please think how your POC might use these comments as a basis for regulatory relief in certain areas

Hilary and Alisa are also working on ways to refresh and renew the Department's Regulatory Reform website and will provide a brief update on that project.

Unified Agenda. I have attached the most recent Unified Agenda . As you know, the Unified Agenda publishes twice a year—generally the Spring Agenda publishes in April and the Fall Agenda in October. As we have discussed previously, if you wish to publish a rule (including a proposed rule or rescission), you must include an entry for it in the most recent agenda. So, if you plan to publish a rule between April and October, you would need to include an entry for it in the Spring Agenda. We will be requesting information from you for the Spring Agenda at the end of February/beginning of March. Please work with your staff to be prepared to respond to these requests. This is a critical matter —the Department's proposed Strategic Plan and related performance metrics with OMB take these items into account.

AMERICAN OVERSIGHT

Please let us know if you have any questions. Many thanks for your work on this important project.

Regards,
Bob

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Time 2:00 PM – 3:00 PM
Subject Regulatory Reform Task Force
Location Secretary's Conference Room
Show Time As Busy
Conference Line: (b)(6)
PC: (b)(6)

Colleagues:

Welcome to the refreshed Regulatory Reform Task Force! Elizabeth, Hilary, and I would like to inform you about a few new developments and to provide several reminders.

Membership. I have attached an updated membership list to take into account recent arrivals and departures. I ask that you not forward this invitation to others without prior approval from Elizabeth and me. Given the lower frequency of the Task Force meetings (see below), we would appreciate you making every effort to attend in person. We realize that there are unavoidable conflicts (negotiated rulemaking, Hill meetings, etc.), but the expectation is that each member will attend monthly meetings of the RRTF. Obviously, you will continue to work with your staffs internally within your POC.

Meetings. The Task Force will meet monthly (fourth Thursdays) (or as needed). Accordingly, I have cancelled the weekly recurring invitation and replaced it with this one. In this manner, we will cut down on the number of cancelled meetings and focus everyone's energies on a single monthly meeting.

Next Steps. With regard to ongoing activity, our next steps are for the agency to complete its response to the House Government & Oversight Committee request for information concerning guidance (ideally, by late January) and for each POC to complete its review of regulatory review comments from the public. At the January 25 meeting, each POC should be prepared to provide the following:

* A brief overview of its response to the oversight letter
* A brief overview of the number, type, and content of the comments received from the public relating to the POC
o Please pay particular attention to those comments with thoughtful, helpful ideas and policy proposals
o Please think how your POC might use these comments as a basis for regulatory relief in certain areas

AMERICAN OVERSIGHT

Hilary and Alisa are also working on ways to refresh and renew the Department's Regulatory Reform website and will provide a brief update on that project.

Unified Agenda. I have attached the most recent Unified Agenda . As you know, the Unified Agenda publishes twice a year—generally the Spring Agenda publishes in April and the Fall Agenda in October. As we have discussed previously, if you wish to publish a rule (including a proposed rule or rescission), you must include an entry for it in the most recent agenda. So, if you plan to publish a rule between April and October, you would need to include an entry for it in the Spring Agenda. We will be requesting information from you for the Spring Agenda at the end of February/beginning of March. Please work with your staff to be prepared to respond to these requests. This is a critical matter —the Department's proposed Strategic Plan and related performance metrics with OMB take these items into account.

Please let us know if you have any questions. Many thanks for your work on this important project.

Regards,
Bob

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This

AMERICAN OVERSIGHT

is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your

AMERICAN OVERSIGHT

delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

PLEASE PRINT OUT AND BRING THESE DOCUMENTS TO OUR MEETING. THANK YOU!!!

Greetings Colleagues,

Several people were unable to attend yesterday's meeting to prepare

AMERICAN OVERSIGHT

for the 2018 FMFIA letter. Please try to attend this re-scheduled meeting or have someone attend in your place. (There are still a couple of people who will be out, but August is tricky to schedule, so this is the best date I could find.) If needed, I can schedule an individual appointment with you.

The good news is that yesterday we decided to implement a more efficient, less burdensome and paperwork intensive process for Division leaders to provide their assurances to our Asst. Secretary! I'll add attachments to this invitation early next week.

Thanks so much for your help,
janie

UPDATING ATTACHMENTS:

Hi Everyone,

Rescheduling our meeting with OPE, OPEPD, OGC, and Budget Service colleagues to review the language in the FY19 House and Senate appropriations bills/reports and discuss next steps as it relates to the OPE initiatives.

I am attaching updated copies of the House and Senate bills and the corresponding report language. To facilitate our conversation, I have updated the attached summary which highlights the provisions with targeted language on OPE initiatives with the most recent bill/report language. The summary only includes the provisions that would

AMERICAN OVERSIGHT

require further action if passed.

Please let me know if you have any questions or if others should be included in this discussion. Thanks.

Regards,
-Scott

Recurrence Occurs every 2 week(s) on Thursday effective 2/1/2018 until 7/18/2019 from 10:00 AM to 10:05 AM

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB

Recurrence Occurs every 2 week(s) on Thursday effective 2/1/2018 until 7/18/2019 from 10:00 AM to 10:05 AM

Show Time As Free

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Krissy

Updating since there are conflicts on Friday.

The purpose of this meeting is to help inform Lynn about the challenges that we will have next summer with the existing e-recognition system/build out of the new system. I am hoping we can discuss specifics and then possibly discuss a game plan of how to approach OCIO. I will set up the con call line later on this week.

Subject INVITATION: Celebrating and Saying Farewell to Dr. Lisa R. Ramirez
Location LBJ Cafeteria Dining Room
Show Time As Tentative

Say it ain't so...:(

YES—our friend and colleague—Dr. Lisa Ruiz Ramirez will be departing the Department of Education soon! While we are very sad to see Lisa go, we understand
and admire her sense of duty and fidelity to her family—which needs her too. Lisa is currently the Deputy Assistant Secretary for Formula

AMERICAN OVERSIGHT

Grants in the Office
of Elementary and Secondary Education (OESE), and has been at ED more than fifteen years as a stalwart leader in the Office of Migrant Education and the former
School Support and Rural Programs as well as her current assignment as a DAS. Lisa is also known in the field for her staunch advocacy of these programs, and as an
education leader in her career experiences prior to her start at ED, where she rose from being a school teacher, principal, district leader and later, a charter school
founder and management official. Lisa also has an incredible personal story that maps her early life journey from high school dropout, to distinguished military veteran
and eventually, academic distinction as an Ed.D from Texas Tech University (don't hold that against her). Lisa has been pivotal to the development of many of OESE's
standard operating procedures and best practices, and her departure signals a tremendous loss of policy and subject matter expertise, leadership capacity and consistent
performance results for OESE and for the Department.

You are invited to come and join us in a fun celebration of Lisa's many contributions here at the Department, enjoy a nice "send-off" for a cherished colleague and to
wish her the best, as only OESE can do. Hope to see you there!

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

AMERICAN OVERSIGHT

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Hi Lynn,

My staff has completed some budget calculations based on anticipated travel for PPI, the additional modification for Amy's contract, and the work to move the Student Aid data onto a new server. Based on these expenses we anticipate having to ask budget services for additional resources. We would like to discuss any additional expenditures as well any possible changes to the travel plan to ensure we are asking budget for the correct amount.

Please feel free to invite anyone on your staff that you would like to attend the meeting,

Sheryl

Time	10:00 AM – 10:05 AM
Subject	REMINDER - timesheets need to be completed by the last Friday of the pay period
Recurrence	Occurs every 2 week(s) on Thursday effective 2/1/2018 until 7/18/2019 from 10:00 AM to 10:05 AM
Show Time As	Free

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

From: Letourneau, Kristina

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit

AMERICAN OVERSIGHT

their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Where: Conference call

I am writing to invite you to an entrance conference for a GAO study about improper payments corrective actions, which will have a focus on Pell and Direct Loans. FSA is the lead office on the study. The meeting will be held by conference call. The initiation letter and agenda are attached.

Here is our call information:

Dial-in Number: (b)(6)

Participant Access Code: (b)(6)

Please do not place the call on hold if you participate. The result of that is the Department of Education's "muzak" starts to play, disrupting the phone call. That can cause us to need to hang up and start the call again using a new call number and passcode. Please keep in mind that if you need to take an incoming phone call, you can hang up on the conference call, take the other call, and dial back in to the conference call.

Thank you.

Time 10:00 AM – 10:05 AM
Subject REMINDER - timesheets need to be completed by the last Friday of the pay period
Recurrence Occurs every 2 week(s) on Thursday effective 2/1/2018 until 7/18/2019 from 10:00 AM to 10:05 AM
Show Time As Free

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

From: Letourneau, Kristina
Sent: Friday, October 26, 2012 9:38 AM
To: OPE All Users
Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

AMERICAN OVERSIGHT

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Subject Regulatory Reform Task Force
Location Secretary's Conference Room
Show Time As Busy

Colleagues:

Welcome to the refreshed Regulatory Reform Task Force! Elizabeth, Hilary, and I would like to inform you about a few new developments and to provide several reminders.

Membership. I have attached an updated membership list to take into account recent arrivals and departures. I ask that you not forward this invitation to others without prior approval from Elizabeth and me. Given the lower frequency of the Task Force meetings (see below), we would appreciate you making every effort to attend in person. We realize that there are unavoidable conflicts (negotiated rulemaking, Hill meetings, etc.), but the expectation is that each member will attend monthly meetings of the RRTF. Obviously, you will continue to work with your staffs internally within your POC.

Meetings. The Task Force will meet monthly (fourth Thursdays) (or as needed). Accordingly, I have cancelled the weekly recurring invitation and replaced it with this one. In this manner, we will cut down on the number of cancelled meetings and focus everyone's energies on a single monthly meeting.

(b)(5)

Unified Agenda. I have attached the most recent Unified Agenda . As you know, the Unified Agenda publishes twice a year—generally the Spring Agenda publishes in April and the Fall Agenda in October. As

AMERICAN OVERSIGHT

we have discussed previously, if you wish to publish a rule (including a proposed rule or rescission), you must include an entry for it in the most recent agenda. So, if you plan to publish a rule between April and October, you would need to include an entry for it in the Spring Agenda. We will be requesting information from you for the Spring Agenda at the end of February/beginning of March. Please work with your staff to be prepared to respond to these requests. This is a critical matter —the Department's proposed Strategic Plan and related performance metrics with OMB take these items into account.

Please let us know if you have any questions. Many thanks for your work on this important project.

Regards,
Bob

Subject GAO exit conference for study about Supporting Student Parents (102784)
Location Conference call
Show Time As Tentative

Here is the Statement of Facts for the exit conference:

****

I am writing to invite you to an exit conference for a GAO study about

AMERICAN OVERSIGHT

Supporting Student Parents. OPE is the lead office on the study. The meeting will be held by conference call. GAO indicates that the Statement of Fact is not yet ready, but they plan to send it to us prior to the exit conference. I will add it to the meeting invite when I receive it.

Here is our call information:

Dial-in Number: (b)(6)

Participant Access Code: (b)(6)

Please do not place the call on hold if you participate. The result of that is the Department of Education's "muzak" starts to play, disrupting the phone call. That can cause us to need to hang up and start the call again using a new call number and passcode. Please keep in mind that if you need to take an incoming phone call, you can hang up on the conference call, take the other call, and dial back in to the conference call.

Thank you.

AMERICAN OVERSIGHT

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

From: Letourneau, Kristina
Sent: Friday, October 26, 2012 9:38 AM
To: OPE All Users
Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Previous note:

Good afternoon, please hold Thursday, May 9, 2019 for an OIG Entrance conference. Location to be announced. Initiation letter to follow. Here is the announcement:

Good morning Joe and Barbara-

The Office of Inspector General (OIG) will be starting a review of the Department's recognition of the Accrediting Council for Independent Colleges and Schools (ACICS) as an accrediting agency. The objectives of the review are to determine (1) the Department's process for assessing ACICS's compliance with Federal regulatory criteria for recognition, and (2) what evidence the Department considered in its review of selected recognition criteria and whether the Department's conclusions were supported by evidence.

AMERICAN OVERSIGHT

We would like to schedule an entrance conference with all appropriate Department officials at the earliest convenience, preferably Tuesday, April 23rd, or Thursday, April 25th. Once the date has been set for the entrance conference, we will send you the official review announcement letter for your records, along with the request for a management representation letter which we ask be completed and returned at the exit conference for this review. After the entrance conference, we will begin scheduling meetings with Department officials and staff.

We would very much appreciate your help scheduling the entrance conference, including identifying Department attendees and reserving a meeting location. Please let me know if the proposed dates don't work for the attendees and we can identify additional dates. OIG staff that will be attending the entrance conference include Christopher Wilson, Kyle Hurley, Julie Duong, Laurie Kellem, and me.

If you have any questions or concerns, please feel free to contact me via email or at (202) 245-6941.

Thank you,

Subject REMINDER - timesheets need to be completed by the last Friday of the pay period

Recurrence Occurs every 2 week(s) on Thursday effective 2/1/2018 until 7/18/2019 from 10:00 AM to 10:05 AM

Show Time As Free

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even

AMERICAN OVERSIGHT

Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Good Morning Lynn and Amy –

NASFAA contracted with a 3rd party research company to do some consumer testing with students, parents, and schools on the new financing sheet and we would like to get ED a preliminary copy and briefing before we release it publicly. Who do you think over at OPE we should invite to a joint-briefing between with us, FSA, OPE, and the Under Secretary's office? Once we have the right people identified, we'll work on getting something on the calendar.

Thank you –

Susan and Daniel,

Let's get together to see if we can come up with a plan for moving forward, particularly one that ensures services stay available for budget development work. Please invite whoever you think is helpful to the conversation, including the folks from OCIO that help you with your SAS server (both hardware and software).

We'll need to identify these roles pretty quickly in the process: Authorizing Official, System Owner, ISSO, CO, COR, ACOR, PM, etc.

Talk soon,

Sarah

All – We have been asked to write a paragraph on each of the following topics by Wednesday of next week:

1. Capitalization of interest – Linda has already written a paper

Wednesday, June 5, 2019 12:00-1:00 pm

Topic: ED Employee: Volunteerism and Resource Fair

Facilitators: Lloyd Calderon - Employee Engagement PMC, Denise M. Joseph - OESE & Dr. Kathleen McMillian Roberts - OHR/LDD

Room: LBJ ED Market Cafe

No Conference Line

Summary: A Volunteerism and Resource Fair that will provide employees with information on how to get involved inside and outside of the department and make the most out of their experience at ED with the purpose to help with collective collaborations as well as work life balance. RecognizED is teaming up with OHR/LDD to host a Volunteerism and Resource Fair (Meet and Greet) to highlight activities at ED and help our employees get to know what programs, resources and activities are available to them. We are expecting to bring programs and resources that are available to staff which includes avenues for volunteer opportunities, affinity groups, and other resources to help employees relate to their job, have a productive environment and help people to be engaged.

Goal: The goal will be for staff to meet and greet where representatives at their tables and enjoy refreshments and other interactive sessions. Each group will have a table with information about what the program does and who can join, if applicable. Brochures, handouts and staff sign up will be available. Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Subject: RE: (Tentative) Borrower Defense/Electronic announcement: Coordinating responses to follow up questions

All,

Following up on our conversation today, attached are the revised electronic announcement and Q&A documents. Where I've made changes based upon our conversation today, I've left those tracked changes and comments in, and accepted all other changes.

Let me know if there are any edits by noon tomorrow before I send a final version on to FSA.

I will circulate a revised version of the potential Q&A's (especially as to suggested disclosure information guidance) later this week for discussion.

Thanks,

Caroline

All,

I understand that there are some issues accessing the document in sharepoint. As a result, please make your edits in the attached and send it back to me. After speaking with Cynthia Hammond, I've also drafted a brief "cover" electronic announcement, which would include the Q&A document as an attachment. This format is easier and faster to post, and we could update the attachment as needed. I am told that we can also push out the Q&As on our subscription service each time it is updated, so institutions will see it each time it is updated.

In the interest of time, I have also attached a potential Q&A document for review for tomorrow's meeting.

Bad news – General Brown leaves for the airport at 3:30 p.m. today and flies to Oklahoma. He is in meetings all morning. So the only way we have a hope of posting this tomorrow is if it has all the LBJ approvals ahead of time and we put it in General Brown's hands at 3:30 p.m. to add to his packet to read on the plane. Given this, it may make more sense to try for Tuesday. Although he will be in San Antonio Tuesday through Thursday, he is planning to review documents and other FSA work each evening. I am sorry. I knew his availability was tight, but didn't realize he was flying out this afternoon.

Updated – June 18 – attaching MOF agenda/briefing materials and PowerPoint presentation. Copies will be available at the meeting.

Updated on January 29, 2019 with new conference line information

This invite serves as a placeholder for the Monthly Operations Forum, scheduled for the third Wednesday of every month. Each occurrence will be updated with the briefing materials in advance of the meeting.

During each meeting, operations offices such as OCIO, PIO, and OFO will have the opportunity to brief the status of operations, discuss new initiatives, and receive customer feedback on the performance of operations during the Monthly Operations Forum. In addition to regular updates from these Offices, and to ensure that all participants have an opportunity to shape the Monthly Operations Forum agenda, we are requesting agenda topics that you would like to hear more about from the various operational Principal Offices. When proposing agenda items, we ask that you let us know the topic and provide a short summary of what information you would like to receive from the briefing.
To request a topic, please email EDOPERATIONSFORUM@ed.gov <mailto:EDOPERATIONSFORUM@ed.gov> .

Do you have thoughts about how the data should be analyzed and used to make OPE a better place to work? Come and talk with us, and together we just might come up with some really good and innovative ideas! Bring your lunch!

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday

AMERICAN OVERSIGHT

that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to

AMERICAN OVERSIGHT

complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Dear Executive Officers, Project/Program Managers and CORs,

As you know, each year Program Contracts Group (PCG) holds an Annual Customer Acquisition Plan Meeting. This year we will hold two separate sessions to accommodate all POCs, one at PCP and the other at LBJ. Both meetings are scheduled for Wednesday, July 10, 2019 at the following times:

1. LBJ from 10:30am to 12:00pm in rooms 1W113.

2. PCP from 1:30pm to 3:00pm in room 6082/6084/6158.

The structure of this year's meeting will be informal and allow for open discussion. The meeting will center on new expectations for the

AMERICAN OVERSIGHT

FY20 AP such as general guidance, common mistakes, staggering, rephrasing and revising dates and the metrics that will be impacted. We will also discuss new policies and updates, and finally, how CAM can better partner with our customers for early acquisition planning. So, please bring to the meeting your ideas, thoughts, comments, suggestions, etc. for an engaging discussion.

For anyone who is unable to attend the meeting in person, a call-in number has been established. The call-in information below is for the meeting at LBJ from 10:30am – 12:00pm:

Conference Call Number: (b)(6)

Participant Code: (b)(6)

Tips if you are participating by telephone:

* Please do NOT put your phone on "hold" since ED's phone system automatically plays music every time a phone line is placed on hold.
* Put your phone on "mute" if you aren't speaking, since the group can hear ambient background noise (e.g., shuffling papers, typing on the computer).

Please feel free to forward this invite to anyone you feel should be included.

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Subject: Completing your timesheet in WebTA
Importance: High

AMERICAN OVERSIGHT

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Subject Apprenticeships in Switzerland
Location Secretary's Conference Room (OS Managed) 400 Maryland Ave SW
Show Time As Busy
Last year the U.S. Departments of Education, Labor, and Commerce all signed an MOU with the Swiss to share best practices around apprenticeship. Foremost Swiss expert on comparative as well as career and technical education (CTE) in labor market-oriented educational systems and former ministry of education official, Ursula Renold, will be in town. Ursula has offered to meet with a group here at the Department of Education to talk about her reform efforts in Switzerland to fundamentally change how apprenticeship was approached in her country. She now researchers the impact of apprenticeships and actively advises groups all over the world about how to scale the work. She is currently working with a group in DC, as part of her CEMETS Summer Institute <https://cemets.ethz.ch/education/courses.html> so we also expect to hear how their work is going in the US.

Subject: TA meeting

Hi everyone,

Shaina Hilsey will be transitioning from OESE to OPE over the next month. She is going to take the lead on coordinating TA requests from the hill. I think it would be good for us to briefly sit down the week of July 15th to introduce her to you all and talk about rolls and responsibilities, so she can hit the ground running. If that works, I will find time for everyone and send out a calendar invite.

All the best,

1. What is the schedule for BD?
2. Who's doing what?
3. What are the policy decisions that have/or are still being made?
4. Where are the documents that we can edit?
5. Have we received feedback, and if so, where is it located?
6. Where are the un-summarized comments?
7. Where are the comments being summarized?
8. Are there any comments that pertain to the RIA? (besides Harvard law and SBA)
9. What are the expectations for the RIA? We've talked about this before, but nobody on my staff has done this before, including me. The RIAs done by ED look really different than what I've done at other agencies, so it feels very much like we're walking in the dark trying to figure it out by trial and error.

Subject REMINDER - timesheets need to be completed by the last Friday of the pay period

Recurrence Occurs every 2 week(s) on Thursday effective 2/1/2018 until 7/18/2019 from 10:00 AM to 10:05 AM

Show Time As Free

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

From: Letourneau, Kristina
Sent: Friday, October 26, 2012 9:38 AM
To: OPE All Users
Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

AMERICAN OVERSIGHT

Let me know if you have any questions.

Thanks,
Krissy

Time 1:30 PM – 3:00 PM
Subject CELEBRATE THE CONSTITUTION--THE NATION'S SEMINAL DOCUMENT--ON CONSTITUTION DAY, WITH SCHOLARS, STUDENT PERFORMERS, AND ED!
Location LBJ Auditorium and on Mediasite and EDstream
Show Time As Tentative

Do not miss this year's Constitution Day Event, Monday, Sept. 17, in LBJ auditorium and streaming on Mediasite <http://mediasite.ed.gov/Mediasite/Catalog/catalog s/default> and EDstream <https://edstream.ed.gov/webcast/Play/585d7c374e8d48b29cfabbac31c8c4431d> * at 1:30 pm ET!

The event features a former solicitor general and student performances!
ED's featured speaker, Gregory G. Garre, was the 44th Solicitor General of the U.S., and was the federal government's top lawyer arguing cases before the Supreme Court. He was also responsible for overseeing the government's litigation in the federal appellate courts.

2018 is the 150th anniversary of the passage of the 14th Amendment to the U.S. Constitution, and Garre will discuss it with Deputy General Counsel Phil Rosenfelt.
The 14th Amendment <https://www.loc.gov/rr/program/bib/ourdocs/14thamendment.html> granted citizenship to "all persons born or naturalized in the United States," which included former slaves recently freed. In addition, it forbids states from denying any person "life, liberty or property, without due process of law" or to "deny to any person within its jurisdiction the equal protection of the laws." By directly mentioning the role of the states, the 14th Amendment greatly expanded the protection of civil rights to all Americans and is cited in more litigation than any other amendment.

But there is more!
The event will include performances by students—including songs, videos and PSAs, who have participated in Constituting America <https://constitutingamerica.org/> . Constituting American is a multi-media outreach effort which uses television, music, film, the Internet and social media to educate Americans about the importance of the U.S. Constitution and the foundation it establishes for our freedoms and rights.
Hear also from Caroline Shinkle, of CAMP USA, about how the civics camp motivates students to become civically engaged by learning about our nation's electoral process in a nonpartisan manner.
We hope to see you on Monday!

Subject Conversations About Leading With Countess Cooper: High Performance Leadership

AMERICAN OVERSIGHT

Location LBJ 5C100
Show Time As Tentative

Dear Excellence in Government Senior Fellows and Fellows, Prior Guest Leaders, Senior Executive Service Members, Presidential Management Fellows, School Ambassador Fellows, Pathways to Leadership Fellows and Guests,
Please join your colleagues around the table on
Wednesday, September 19, 2018
for a
Conversation about Leading
on
High Performance Leadership

WHAT: A POWERFUL CONVERSATION ON SERVANT LEADERSHIP
This session looks at the six dimensions of service leadership along with the 23-item behavioral profile as outlined in the Toastmasters International Development Program. We will assess our leadership behaviors using the profile tool and discuss best leadership practices in a facilitated group discussion.
We propose a discussion framed by the following six dimensions of servant leadership:

* Vision and Values
* Direction
* Persuasion
* Support
* Development
* Appreciation

We need high-performing leaders at every level of society – in government, military, community, civic and beyond. Leaders are people who see problems and work with others to achieve a unified purpose. We have learned a lot from leaders like Mahatma Gandhi, Rev. Dr. Martin Luther King, Jr., Mother Teresa, Winston Churchill, Abraham Lincoln and George Patton, and we also learn from leaders in our communities like Susan G. Komen and Mothers Against Drunk Driving and others. We have issues and injustices in our communities, and the world is seeking everyday leaders like you to make a difference without ever leaving your own community.
We will assess our leadership strengths and areas of development using Toastmasters' High Performance Leadership model.
WHO
Countess Clarke Cooper is an award-winning artist, accomplished musician, ordained minister and military chaplain. A native of Tampa, Florida, she has been employed with the U.S. Department of Education for the past 26 years, primarily in Federal Student Aid (FSA). Over her tenure, she has

served in various capacities, including as lead accountant, senior customer support representative, supervisory institutional review specialist, FOIA and audit liaison and more. Known for her public speaking skills and ability to connect with a wide range of people, Countess was asked by the FSA training director to help charter a Toastmasters club in FSA. In 2006, FSA Toastmasters was chartered and the club has aided in the development of 100+ leaders in government, and civic and private organizations of all ages and backgrounds. From 2005 to 2012, Countess served as a club president

AMERICAN OVERSIGHT

and every other club leadership role as well as outside the club as an area governor and a division governor. Her teams achieved the President's Distinguished awards on several occasions. In 2008, she earned the coveted Distinguished Toastmaster award, which is the highest award an individual can earn in Toastmasters and it is also an internationally recognized achievement. Countess loves the Toastmasters programs

and will be using part of the High Performance Leadership manual today.
As a servant leader, she currently serves as a team pastor at a local church in Washington, D.C., and as a military chaplain in the U.S. Air Force (D.C. National Guard). At ED, she is the current president of the affinity group Lesbian, Gay, Bisexual, Transgender, Queer and Allied (LGBTQA) Employees at ED. The role of a public servant is a sacred trust and she is a public servant at heart. Countess learned servant leadership at an early age from her mother, Mrs. Mary Alice Dorsett, who was a pioneering woman of firsts in Hillsborough County, Florida (Tampa):

1954 – First woman and first African-American to have a professional bail bonds business
1959 – First African-American to open a general employment agency
1962 – Founded a Faith Mission to minister to the total person
1965 – First woman and first African-American to run for the state legislature

Mrs. Dorsett's mentor – the late, great Dr. Nannie Helen Burroughs – was also a pioneering woman, in honor of whom a street in Washington, D.C., is named. Dr. Burroughs was the first African-American female to have her works displayed in the Smithsonian. There are over 110,000 of her literature and personal artifacts in the Library of Congress. A proponent of women's empowerment, she started Women's Day in the black church and she also started a school to train women and girls in foreign mission work.

Good afternoon -

The Department in the process of responding to audit GAO 15-598: "Teacher Preparation Programs: Education Should Ensure States Identify Low-Performing Programs and Improve Information-Sharing" https://www.gao.gov/assets/680/671603.pdf

One of the recommendations made by GAO is that the Department enhance information sharing about teacher preparation program quality among relevant Department of Education program offices. Thus, to comply with this recommendation, OPE/PPI is convening a meeting to share information about teacher preparation program quality that attending offices have gathered through their work. As your office does work relevant to teacher preparation program quality, you are invited to share that information.

For this meeting, please come prepared to share what work your office does with respect to teacher preparation programs and what information this work has revealed with respect to teacher preparation program quality. The presentation should take 5 - 10 minutes and can be a general overview.

Below is a general agenda which will be updated prior to the meeting:

Introductions
Meeting overview
Information Sharing
Q&A/Wrap-up

Thank you for your help as we respond to the audit and please let me know if you have any questions –

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

AMERICAN OVERSIGHT

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

From: Letourneau, Kristina
Sent: Friday, October 26, 2012 9:38 AM
To: OPE All Users
Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

"Each year approximately 20 million students complete the Free Application for Federal Student Aid (FAFSA). Of those students, more than one-quarter are selected to complete an audit-like process called verification. The Department over-sees this process through Code of Federal Regulations 34 subpart E 668.51 – 668.61. While it is the fiduciary responsibility of the Department of Education to responsibly oversee the disbursement of financial aid, the process created for doing so under this section of the CFR is unnecessarily burdensome on both students and institutions.

This burden falls almost entirely on our low-income students and the institutions that serve them as almost all of the students selected for verification are Pell eligible (98 percent).1 The process is time-consuming and tedious, creating another barrier to college access for the population of students who most need postsecondary education. In fact, NCAN members' primary complaint about FAFSA filing over the last few years has been the increased difficulty in navigating verification and doing so for a growing proportion of students. The FAFSA filers who are selected for verification face a litany of obstacles in completing the paperwork, including:

* Knowing they are selected for verification when each institution notifies students in a different way. For example, a student could miss a notification at one school because it is in the student portal when other schools sent an email and a text message;
* A different process to complete verification at each institution to which they applied. For example, one institution may use the federally provided text (there is no template form), but another may have created its own form that is more complicated;
* The requirement to verify the same information multiple times if they applied to multiple schools. For example, if Federal Student Aid selects a student who applied to multiple schools for verification, then that student must submit verification documents, likely in different formats, to each institution to which she was accepted;
* Burdensome request processes and long wait times for needed documents from the Internal Revenue Service. For example, most financial information must be confirmed with a tax transcript or a verification of non-tax-filing status form that students must frequently wait weeks to receive.

AMERICAN OVERSIGHT

As a result, many students selected for verification could experience negative consequences including:

* Missing priority financial aid award deadlines. For example, a student waiting for the IRS to return a tax transcript will not have a completed FAFSA on file with her state or institutions and may miss priority deadlines for limited federal campus-based aid, state aid and institutional aid;
* Missing enrollment deadlines due to lack of a financial aid package. For example, without a FAFSA on file, an institution will not give a student his final financial aid award package, and a low-income student may not be able to accept an offer of enrollment without knowing if he can afford to attend;
* Missing a start date for the semester. For example, a student who hopes to enroll at an open enrollment institution or an institution with a rolling start class schedule (those ideal for adult learners returning to school) likely completed the FAFSA closer to the class start date, but could end up waiting until the next session to start because her FAFSA information was not verified in time to award and process federal student aid needed to pay tuition.

Low-income high school seniors are particularly impacted by this process. As out-lined on the Leaky FAFSA Pipeline, shown below and available online,2 only 31 percent of low-income high school students are using a Pell Grant to attend college a year after graduating from high school. NCAN estimates that 22 percent of those selected for verification will not complete the process, and therefore, likely not enroll.

Historically, there have been several changes to verification with the goal of making it less burdensome on both students and institutions. Unfortunately, the changes created more of a "one step forward, two steps back" level of progress, according to the National Association of Student Financial Aid Administrators, who are greatly impacted by the burden of verification on their work time as well3. Institutions were previously capped at a 30 percent verification rate for their student body. That ceiling was eliminated, greatly increasing the burden on financial aid offices to complete the verification procedure for large portions of their students. While the goal of verification is to help institutions prevent improper payments from need-based aid programs, the proportional burden involved is not justified.

Adding verification to this NPRM agenda would allow for a thoughtful conversation among those stakeholders affected in order to make adjustments to verification to decrease the burden on both students and institutions, while maintaining a responsible level of scrutiny over tax dollars. It would expand the capacity of school counselors and college advisors to provide guidance on postsecondary pathways rather than navigating burdensome regulations. Further, these changes could make a great impact the number of students who are able successfully access, pay for, and complete postsecondary education."

Subject PIO Quarter 4 Collection Training
Location Skype only
Show Time As Busy

Hello all,

This is a training session for persons entering data or narrative information into the PIO's SharePoint collection site. If you do not anticipate accessing the site directly, please feel free to dismiss. Point persons responsible for entering information into the system should join to better understand how the site is organized, how the information is organized, and to understand what the expectations of this collection are. This is a Skype-only meeting. If your goal team would like to set up a separate training for those that will be using the site directly, please reach out and we can set up an in-person training next week.

Thanks you,

.....

I'm writing as I usually do this time of year to see if Ms. Mahaffie or someone else from the Department might be available to meet with the University of Florida Student Government Association. The students will be in town on Tuesday, October 9 and would like to provide an overview on some of the great work they are doing at UF and highlight some of their policy priorities. Specifically, they will be in town to discuss issues related to Pell grants, student loans and FAFSA simplification, textbook affordability, Title IX, and mental health on campus.

Subject REMINDER - timesheets need to be completed by the last Friday of the pay period
Recurrence Occurs every 2 week(s) on Thursday effective 2/1/2018 until 7/18/2019 from 10:00 AM to 10:05 AM
Show Time As Free

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

From: Letourneau, Kristina
Sent: Friday, October 26, 2012 9:38 AM
To: OPE All Users
Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This

AMERICAN OVERSIGHT

is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Hi Sharon and Lynn -

Thank you for contacting me. As I mentioned to Congressman (b)(6) and his district director - a business partner and I have written a business plan containing innovations focused on student loans. The innovations are designed to help borrowers to fulfill their loan obligations and to become debt-free sooner. We have spoken with a number of borrowers and the response to our innovations has been universally positive.

Our innovations are well-suited for the private sector, but because of the importance of the student loan problem, we felt that it makes sense to speak early-on with the Department of Education to see if there is an opportunity to work together. And we welcome any feedback that you may have regarding our ideas.

My business partner, John Murphy, and I are based in Santa Barbara, CA. A phone call would be great. Monday, Oct. 15 from 1 - 2 PM Eastern works fine. You can reach me at (b)(6) when you're ready to go, or we can call your line if you prefer.

I look forward to speaking with you and am confident that our call will be a good use of your valuable time.

Thank you,
Jim Haslem

Recurrence Occurs every 2 week(s) on Thursday effective 2/1/2018 until 7/18/2019 from 10:00 AM to 10:05 AM

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

AMERICAN OVERSIGHT

Let me know if you have any questions.

Thanks,
Krissy

This entrance conference invite replaces the one that Alexis O'Neill sent out on my behalf when I was out of the office (copied at the bottom of this invite here). The time and the conference call number remain the same. We now have a list of questions from GAO, here it is:

Please do not place the call on hold if you participate. The result of that is the Department of Education's "muzak" starts to play, disrupting the phone call. That can cause us to need to hang up and start the call again using a new call number and passcode. Please keep in mind that if you need to take an incoming phone call, you can hang up on the conference call, take the other call, and dial back in to the conference call.

Here is the earlier invite in case you want to reference it:

I am writing to you to place a hold on your calendar for the entrance conference for GAO's study on colleges converting from for-profit to non-profit status.
FSA is the lead office on this study.
Jim Houser will either update this invitation or send a new invitation with an agenda/list of questions.
The notification letter is attached.
Thank you,
Alexis O'Neill

Subject REMINDER - timesheets need to be completed by the last Friday of the pay period
Recurrence Occurs every 2 week(s) on Thursday effective 2/1/2018 until 7/18/2019 from 10:00 AM to 10:05 AM
Show Time As Free

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

From: Letourneau, Kristina
Sent: Friday, October 26, 2012 9:38 AM
To: OPE All Users
Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

AMERICAN OVERSIGHT

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

AMERICAN OVERSIGHT

Good Morning All,

This invite is to conduct technical rehearsals for the General Sessions and Open Forum for the 2018 FSA Training Conference (FSATC). Please be prompt. The onstage technical rehearsal is meant for the presenter to get a feel for the stage, make lighting and sound checks, and run through audio and graphic cues and transitions. It is also time for the technical crew to become familiar with the presentation and work out any glitches.

This is not the time to be making changes or reading through your presentation for the first time. Technical rehearsal time is very limited and expensive. Having crew and other staff sit idle while working out details of a presentation is not effective. If you need additional time for a full rehearsal, please let me know and I will coordinate for you. Here is the schedule of rehearsals:

4 p.m. – Day 1 General Sessions (Welcome, Secretary Keynote, Federal Update, and Verification)
4:45 p.m. – Day 2 General Sessions (Opening Remarks (Diane Jones), Next Gen FSA, and The Next Generation of FAFSA®)
5:30 p.m. – Open Forums
6 p.m. – End of rehearsals

Feel free to contact me directly if you have any questions and/or concerns. My cell phone is highlighted below.

Thank you all and Happy Thanksgiving to you and your family! Safe travels.

school-reform-lessons-learned-2/> . The book takes a critical look at the federal role in K-12 education during the administrations of George W. Bush and Barack Obama.

By examining the federal role in K-12 education across two different administrations, Bush-Obama School Reform offers a wealth of insights into the factors that support or constrain an expanded federal role in education reforms, providing invaluable guidance for future administrations.

Assistant Secretary Jim Blew will facilitate the discussion, including time for Q&A with the audience.

Department of Education / GAO Entrance Conference
Campus Climate Surveys (102941)

Introductions

Requesters and Research Questions
* Requesters
o Rep. Susan A. Davis, Ranking Member, House Subcommittee on Higher Education and Workforce Development
o Rep. Carolyn B. Maloney
o Rep. Ro Khanna
* Research Questions
1) How have colleges surveyed students about the prevalence of sexual violence on college campuses?
2) How do these surveys assess student perspectives on sexual violence and awareness of related institutional policies?
3) To what extent do the different methodologies used in these surveys promote the collection of accurate, comparable, and/or representative data?
4) What types of assistance, if any, have the Departments of Education and Justice provided colleges on developing accurate and reliable surveys?

Topics for Discussion
Current Initiatives and Efforts
1) Is the Department currently involved in any efforts to assess the prevalence of sexual violence on college campuses or promote campus climate surveys? To what extent is the Department coordinating with other federal agencies or outside groups in these efforts?
2) Does the Department intend to keep updating the campus climate survey resources available on the National Center on Safe Supportive Learning Environments website? Does the Department use any additional avenues to provide colleges with information on climate surveys?
3) The Office for Civil Rights has previously recommended that schools (including colleges) conduct climate surveys (e.g., 2015 Title IX Resource Guide, Dear Colleague Letter: Title IX Coordinators-2014). Does OCR still recommend that colleges conduct climate surveys, and if so, how is this recommendation communicated to institutions?
4) Does the Department receive inquiries from colleges about campus climate surveys? If so, what types of assistance can you provide?

AMERICAN OVERSIGHT

Title IX Resolution Agreements
5) Is the Office for Civil Rights still requiring schools to conduct climate surveys as a standard part of resolution agreements with colleges under investigation for Title IX complaints? Why does (did) OCR include this requirement?
6) To what extent does OCR monitor the institution's selection, implementation, and assessment of these surveys? Does OCR place any requirements on the contents of the survey?
7) How often, and for how many years, are institutions expected to conduct climate surveys as part of a resolution agreement?

White House Task Force to Protect Students from Sexual Assault
8) To what extent was the Department involved in helping develop the Task Force's action items and recommendations related to campus climate surveys?
9) Why do you think campus climate surveys were viewed by the Task Force as a necessary addition to existing crime reporting/statistics and academic studies (e.g., Clery Act reporting)?
10) Was the Department given responsibility for continuing to spearhead any of the Task Force's projects or initiatives after the final report was issued in January 2017?

Future Research and Policy Considerations
11) What are the key remaining unanswered questions surrounding the implementation and effectiveness of campus climate surveys?
12) What would be the benefits and drawbacks of requiring colleges to conduct climate surveys?
13) What would be the benefits and drawbacks of requiring schools to use a standard survey instrument or questions?

Subject REMINDER - timesheets need to be completed by the last Friday of the pay period

Recurrence Occurs every 2 week(s) on Thursday effective 2/1/2018 until 7/18/2019 from 10:00 AM to 10:05 AM

Show Time As Free

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

From: Letourneau, Kristina
Sent: Friday, October 26, 2012 9:38 AM
To: OPE All Users
Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day

AMERICAN OVERSIGHT

you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

ED-WIDE ULTIMATE CHILI COOK-OFF

The CFC Ultimate Chili Cook-Off is just around the corner, Tuesday, December 11, 2018. You still have time to sign-up and represent your POC with your BEST Chili! We are asking all participants to please bring your chili to the LBJ cafeteria at 11:30am. There is no specific amount that you need to bring because this will be a sampling contest by two celebrity chefs; however, a crockpot will be sufficient for others to sample.

Remember, although this is the ED wide cook-off, you don't already have to be a winner of a chili cook-off to participate. We would like to have all POCs to please come out and represent their very own POC.

The following items will be provided: crackers, sampling cups, spoons, napkins, gloves, and water.

*Please contact your CFC Coordinator for participant information

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

AMERICAN OVERSIGHT

Hello All,

The e-mail attached was sent out on 1/4/19. In the nomination letters which I sent you all a sample (if you would like me to resend samples let me know). We stated that the meeting organizer would reach out to the members of the assigned subcommittee and make an introduction (the facilitators Ramona and Christy have already reached out to the full committee on behalf of Annmarie, and I invited Herman because I know that members of your staff will be in the audience as experts during the negotiations).

This meeting will serve to bring all the meeting organizers up to speed with the progress and discuss a way forward for the negotiations next week. I only invited the team leads to keep this meeting from becoming too large, however, if someone is required for this meeting please forward as appropriate.

AMERICAN OVERSIGHT

To: OPE All Users
Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Subject Regulatory Reform Task Force
Location Secretary's Conference Room
Show Time As Tentative

Colleagues:

Welcome to the refreshed Regulatory Reform Task Force! Elizabeth, Hilary, and I would like to inform you about a few new developments and to provide several reminders.

Membership. I have attached an updated membership list to take into account recent arrivals and departures. I ask that you not forward this invitation to others without prior approval from Elizabeth and me. Given the lower frequency of the Task Force meetings (see below), we would appreciate you making every effort to attend in person. We realize that there are unavoidable conflicts (negotiated rulemaking, Hill meetings, etc.), but the expectation is that each member will attend monthly meetings of the RRTF. Obviously, you will continue to work with your staffs internally within your POC.

Meetings. The Task Force will meet monthly (fourth Thursdays) (or as needed). Accordingly, I have cancelled the weekly recurring invitation and replaced it with this one. In this manner, we will cut down on the

AMERICAN OVERSIGHT

number of cancelled meetings and focus everyone's energies on a single monthly meeting.

(b)(5)

Unified Agenda. I have attached the most recent Unified Agenda . As you know, the Unified Agenda publishes twice a year—generally the Spring Agenda publishes in April and the Fall Agenda in October. As we have discussed previously, if you wish to publish a rule (including a proposed rule or rescission), you must include an entry for it in the most recent agenda. So, if you plan to publish a rule between April and October, you would need to include an entry for it in the Spring Agenda. We will be requesting information from you for the Spring Agenda at the end of February/beginning of March. Please work with your staff to be prepared to respond to these requests. This is a critical matter —the Department's proposed Strategic Plan and related performance metrics with OMB take these items into account.

Please let us know if you have any questions. Many thanks for your work on this important project.

Regards,
Bob

Subject REMINDER - timesheets need to be completed by the last Friday of the pay period

Recurrence Occurs every 2 week(s) on Thursday effective 2/1/2018 until 7/18/2019 from 10:00 AM to 10:05 AM

Show Time As Free

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

From: Letourneau, Kristina
Sent: Friday, October 26, 2012 9:38 AM
To: OPE All Users
Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to

AMERICAN OVERSIGHT

complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

(ii) In identifying teacher shortage areas to propose for designation under paragraph (q)(6)(i) of this section, the Chief State School Officer shall consider data from the school year in which the recommendation is to be made, unless that data is not yet available, in which case he or she may use data from the immediately preceding school year. with respect to-
(A) Teaching positions that are unfilled;
(B) Teaching positions that are filled by teachers who are certified by irregular, provisional, temporary, or emergency certification; and
(C) Teaching positions that are filled by teachers who are certified, but who are teaching in academic subject areas other than their area of preparation. (iii) If the total number of unduplicated full-time equivalent (FTE) elementary or secondary teaching positions identified under paragraph (q)(6)(ii) of this section in the shortage areas proposed by the State for designation does not exceed 5 percent of the total number of FTE elementary and secondary teaching positions in the State, the Secretary designates those areas as teacher shortage areas.
(iv) If the total number of unduplicated FTE elementary and secondary teaching positions identified under paragraph (q)(6)(ii) of this section in the shortage areas proposed by the State for designation exceeds 5 percent of the total number of elementary and secondary FTE teaching positions in the State, the Chief State School Officer shall submit, with the list of proposed areas, supporting documentation

showing the methods used for identifying shortage areas, and an explanation of the reasons why the Secretary should nevertheless designate all of the proposed areas as teacher shortage areas. The explanation must include a ranking of the proposed shortage areas according to priority, to assist the Secretary in determining which areas should be designated. The Secretary, after considering the explanation, determines which shortage
areas to designate as teacher shortage areas.
(7) A Chief State School Officer may submit to the Secretary for approval an alternative written procedure to the one described in paragraph (q)(6) of this section, for the Chief State School Officer to use to select the teacher shortage areas recommended to the Secretary for designation, and for the Secretary to use to choose the areas to be designated. If the Secretary approves the proposed alternative procedure, in writing, that procedure, once approved may be used instead of the procedure described in paragraph (q)(6) of this section for designation of teacher shortage areas in that State.

Where: Conference call

Good morning. Here is the Statement of Facts:

In the event your office would like to provide comments to GAO on the Statement of Facts in writing, please prepare a draft of those comments in advance of our meeting with GAO. GAO frequently only provides us with 24 hours to comment in writing on a Statement of Facts, so we should be prepared for a short deadline if we want to go that route.

AMERICAN OVERSIGHT

****

I am writing to invite you to an exit conference for a GAO study about Income-Driven Repayment Plan Verification. FSA is the lead office on the study. The meeting will be held by conference call. GAO indicates that the Statement of Fact is not yet ready, but they plan to send it to us prior to the exit conference. I will add it to the meeting invite when I receive it.

Here is our call information:

Dial-in Number: (b)(6)

Participant Access Code: (b)(6)

Please do not place the call on hold if you participate. The result of that is the Department of Education's "muzak" starts to play, disrupting the phone call. That can cause us to need to hang up and start the call again using a new call number and passcode. Please keep in mind that if you need to take an incoming phone call, you can hang up on the conference call, take the other call, and dial back in to the conference call.

Thank you.

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Subject: Completing your timesheet in WebTA
Importance: High

AMERICAN OVERSIGHT

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

The facilitators asked me for some time to check in before the next session. If you cannot attend and have anything you want me to raise, please let me know. I tried to schedule around the subcommittee meetings, Christy's negotiation scheduled until 3pm, and the idea that they wanted at least a day for their internal meetings to discuss any adjustments they need to make, this time seemed to work.

If everyone plans to be in the office, I can add a room. Right now, rooms are "unavailable" in Outlook.

Annmarie

Subject Monthly Operations Forum
Location LBJ Conference Room 240-02 // Dial: (b)(6) // Access Code: (b)(6)
Show Time As Tentative
Updated – February 20, 2019 – attaching meeting materials

Updated on January 29, 2019 with new conference line information

This invite serves as a placeholder for the Monthly Operations Forum, scheduled for the third Wednesday of every month. Each occurrence will be updated with the briefing materials in advance of the meeting.

During each meeting, operations offices such as OCIO, PIO, and OFO will have the opportunity to brief the status of operations, discuss new initiatives, and receive customer feedback on the performance of operations during the Monthly Operations Forum. In addition to regular updates from these Offices, and to ensure that all participants have an opportunity to shape the Monthly Operations Forum agenda, we are requesting agenda topics that you would like to hear more about from the various operational Principal Offices. When proposing agenda items, we ask that you let us know the topic and provide a short summary of what information you would like to receive from the briefing.

Time 10:00 AM – 10:05 AM
Subject REMINDER - timesheets need to be completed by the last Friday of the pay period
Recurrence Occurs every 2 week(s) on Thursday effective 2/1/2018 until 7/18/2019 from 10:00 AM to 10:05 AM
Show Time As Free

Accidently sent out a removal for this from your calendar. Please accept again to keep the timesheet reminder on your calendar.

Resending for newer employees or those who may not have accepted the original outlook appointment. Outlook invite to follow.

From: Letourneau, Kristina
Sent: Friday, October 26, 2012 9:38 AM
To: OPE All Users
Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

AMERICAN OVERSIGHT

Thanks,
Krissy

Subject Ability to Benefit Convening - Confirmed Date and Agenda
Location PCP 10th Floor Auditorium
Show Time As Busy

Hello everyone,

This update is confirming the previous Save the Date I had on most of your calendars, and adding other ED staff to this to ensure it's on their Outlook calendars.
Please note the change to a one day meeting, 8:30 a.m. -5 p.m. on Thursday, March 14th.

Please register ASAP if you have not yet done so. The site closes next week but a headcount by COB Friday, February 22nd would be helpful. The registration page link is http://www.cvent.com/d/j6q8pz

Agenda is pasted below. Please let me know if you can only attend for part of the convening – we hope you can attend all of it but understand other events are happening right now as well. Happy to answer any questions you may have.

Thank you kindly,
Erin

These one-pagers will be compiled and shared with all attendees. Please submit no later than February 26, 2019 to Erin Berg, erin.berg@ed.gov <mailto:erin.berg@ed.gov>

the original outlook appointment. Outlook invite to follow.

From: Letourneau, Kristina
Sent: Friday, October 26, 2012 9:38 AM
To: OPE All Users
Subject: Completing your timesheet in WebTA
Importance: High

As you know, all timesheets should be completely processed (validated/affirmed/certified) by the last Friday of the pay period. This is often not being done. Many timesheets are not being completed until the following Monday, Tuesday and sometimes even Wednesday. This can cause employees to not be paid on time.

When employees/supervisors are contacted regarding missing timesheets, I am often told that they forgot it was time to do timesheets.

In order to prevent this from happening, I will be sending out an OPE-Wide appointment invite. It will be a recurring appointment for every other Thursday, to remind you to complete timesheets by Friday. Please accept this appointment onto your calendar so you will get the biweekly reminder.

Employees/Supervisors - If you will be out of the office on the Friday that timesheets are due, make sure you complete it on the last day you are in the office, prior to your flex day or leave.

Supervisors – please make sure you have assigned a delegate to complete timesheets in your absence. If you know you will not be in the office on the Friday that timesheets are due, make sure your delegate is aware that they need to certify the timesheets on your behalf. You should also provide your staff with a deadline to submit their timesheets to you, to allow you time to certify them by COB Friday.

Let me know if you have any questions.

Thanks,
Krissy

Adding time on your calendars for an Internal call to discuss FAFSA Simplification TA. Based on comments, I want to make sure we are all on the same page determining the feasibility of this language.

Attached is version with all POCs comments. Added bill summary and an updated total income formula * this does not exactly reflect the draft you worked on, but will let you see where they are headed.

For those in LBJ, feel free to join us in OLCA Conference Room. Please call me if you have any concerns or questions.

I am writing to invite you to an entrance conference for a GAO study about the aviation maintenance workforce. OPE is the lead office on the study. The meeting will be held by conference call. Attached you will find both the initiation letter from GAO and a list of questions that apply to multiple offices in the Department.

Here is our call information:

Dial-in Number: (b)(6)

Participant Access Code: (b)(6)

Please do not place the call on hold if you participate. The result of that is the Department of Education's "muzak" starts to play, disrupting the phone call. That can cause us to need to hang up and start the call again using a new call number and passcode. Please keep in mind that if you need to take an incoming phone call, you can hang up on the conference call, take the other call, and dial back in to the conference call.

Thank you.

Updated – March 19. 2019 – attaching agenda and meeting materials

Updated on January 29, 2019 with new conference line information

This invite serves as a placeholder for the Monthly Operations Forum, scheduled for the third Wednesday of every month. Each occurrence will be updated with the briefing materials in advance of the meeting.

During each meeting, operations offices such as OCIO, PIO, and OFO will have the opportunity to brief the status of operations, discuss new initiatives, and receive customer feedback on the performance of operations during the Monthly Operations Forum. In addition to regular updates from these Offices, and to ensure that all participants have an opportunity to shape the Monthly Operations Forum agenda, we are requesting agenda topics that you would like to hear more about from the various operational Principal Offices. When proposing agenda items, we ask that you let us know the topic and provide a short summary of what information you would like to receive from the briefing.
To request a topic, please email EDOPERATIONSFORUM@ed.gov <mailto:EDOPERATIONSFORUM@ed.gov> .

Time 12:00 PM – 1:00 PM
Subject Lunch and Learn on Education Freedom Scholarships with Jim Blew, OPEPD, & McKenzie Snow, OS, in LBJ on 3/21
Location National Library of Education, LBJ
Show Time As Tentative

Learn about the Administration's new policy proposal to make a historic investment in America's students, injecting up to $5 billion yearly into state-based scholarships to empower families with education freedom.

Join OPEPD Assistant Secretary Jim Blew and OS Policy Advisor McKenzie Snow for a discussion on the administration's Education Freedom Scholarships <https://sites.ed.gov/freedom/> policy proposal. Under the proposal, taxpayers who make voluntary contributions to state-identified Scholarship Granting Organizations (SGOs) will be eligible to receive a non-refundable, dollar-for-dollar federal tax credit. Those contributions will fund scholarships that families can direct to the education opportunities that best serve their child.

"The key element of the proposal is freedom for all involved. Students, families, teachers, schools, states—all can participate, if they choose, and do so in the ways that work best for them. The major shift is that a student's needs and preferences, not their address or family income, will determine the type and quality of education they can pursue." – Secretary DeVos.

The event takes place in the National Library of Education, LBJ Building, BE101. Bring your lunch and your questions!

If you require any reasonable accommodation to participate in this event, i.e. sign-language interpreter, Braille, large print or CD Rom, please contact Melinda Malico at melinda.malico@ed.gov <mailto:melinda.malico@ed.gov> .

Request: The American Gas Association (AGA) and Natural Gas Vehicles of America (NGVA) would like to arrange a follow-up meeting with you to discuss our ideas for regulatory reform, as described in our attached comments, filed May 15, 2017 in Docket EPA-HQ-OA-2017. AGA's comments address several programs, but at this meeting, we will want to focus on revisions we have suggested to improve: (1) the Subpart W reporting rule and (2) the PCB rules.

Interagency review participants: EOP offices, DOJ, HUD, and SBA/Advocacy

I understand that some of you will need to participate remotely. We're asking that folks who are physically at headquarters participate in person so we can caucus on mute if necessary. OMB has given interagency reviewers until 1 to provide any written comments. Mindful of the TSCA 411 docketing requirements, OMB anticipates that most comments will be verbal. I was asked to buffer the meeting duration to accommodate 1 participant who may need to leave the call early and come back on after another appointment. We may not need the extra 30 minutes, but we'll have it available to us.

A copy of the document as submitted to OMB this morning via ROCIS upload is attached for your convenience.

OCSPP Briefing on the Hazard Standard estimates.

Note that based on discussions with HUD staff and their general counsel, it appears that changing the hazard standards will automatically change the clearance levels in housing subject to the

AMERICAN OVERSIGHT

HUD Lead-Safe Housing Rule. (HUD never anticipated that the hazard standards would be different from the clearance levels, so the clearance requirements in the LSHR are cross-referenced to EPA's hazard standards.) The hazard standard estimates available will not include the costs and benefits of the HUD clearance activities that will be triggered by a change in the hazard standards. The estimates of the effect of HUD clearance activities will not be available until the next phase (i.e., clearance impacts).

Show Time As Busy

Hi Nancy and Charlotte,

Tala Henry is coming to our PFAS pre-meet next week. But we don't have your OCSPP contact yet for the lead SAB briefing. We have a pre-meet today at 3:30. If someone from OCSPP could join us that would be great. Of course we will fill you in later if you can get the right person to the phone call today.

AMERICAN OVERSIGHT

Best regards,

Tom

Hello,

Tom Brennan asked me to get us together to discuss/plan for a briefing to the Science Advisory Board on the EPA effort on Lead. I would like to start planning a robust panel discussion to present the Board with the EPA's leadership and Interagency work on the President's Task Force on Environmental Health Risks and Safety Risks to Children.

Please let me kow if we need a conference line and if there are other person(s) we should invite?

Background

The SAB meeting is June 1.

Meeting materials must be publicly available and should be posted on the SAB website two week s ahead of the meeting.

As a briefing there is not a specific charge to the Board. As a result of the discussion agency staff and SAB members may identify areas

AMERICAN OVERSIGHT

where the Boards advice may benefit the agency.

A draft agenda for the briefings is attached

Goals for our meeting:

Identify topic areas and the offices to participate on the briefing panel

Identify additional staff that should be in the room top participate in the discussion

at the meeting

Identify materials approval reviewers

Set schedule to meet May 16 posting

Straw Agenda is attached
